DETAILED INFORMATION

Description

Cranchi is a family-owned Italian company, officially founded in 1870, although Giovanni Cranchi built his first boat years before that. In 2006 the company went public, but it is still run by 4th generation Aldo Cranchi, with at least five 5th generation Cranchis are now working for the brand. Cranchi is synonymous with Italian style and sophistication, providing a luxury quality yacht which is reliable, efficient with outstanding sea capabilities. Cranchi is well known for its maniacal attention to the search for perfection and for being among the pioneers in the working of fiberglass, today their products express the highest values in terms of design, engineering, reliability and aesthetics. Cranchi yachts are built in one of the most technologically sophisticated boatyards in the world, and it is evident when onboard that attention to detail and superior old world craftsmanship have gone into building their products: with the highest level of technology, every construction delivers a unique yacht. For five generations the Cranchi family prides itself on these exceptional standards and values, making them one of the leading manufacturers worldwide. Few are as dedicated and committed as Cantiere Nautico Cranchi. M 44 HT (Hardtop series) is a perfectly calculated and well-designed hull: for the smooth ride and great performance.
