# DETAILED INFORMATION

---

## Vessel Walkthrough

---

This 35 Bertram was completely transformed during the last year into a custom express day boat suitable for fishing or cruising. A pair of remanufactured zero hour Cummins 370 diesels have been installed. The Northern Lights generator was completely rebuilt. The original flybridge has been removed as well as the aft bulkhead which was replaced with heavy gauge EZ2CY panels. There is a faux painted teak auxiliary helm station on the forward starboard side of the cockpit. A half oval shaped aluminum swim platform was added at the transom. Finally, faux teak painted cap rails and trim adds a classic look.

Beginning in the large cockpit, which the 35 Bertram is known for, there is a marlin chair mounted on a pedestal in the center. Cushioned cockpit coaming pads surround the perimeter. Moving forward into the salon helm area, immediately to starboard is a cushioned rattan settee followed by the helm station. On the port side is the fully equipped galley. Down three steps to starboard is the head with new toilet, built-in vanity, port light and stall shower. On the port side of the companionway are four built-in storage drawers followed by a large storage locker. All the way forward is the V berth.

## Salon

---

- Rattan settee w/cushions
- Port side rattan chair on pedestal
- Rattan helm chair on pedestal
- 12V electric fan
- Decorative rug

## Galley

---
