Hull Color: WHITE

Engine Information

Engines: 2

Manufacturer: Mercury

Model: 225-2 STROKE

Engine Type: Outboard

Fuel Type: Gas

DETAILED INFORMATION

OVERVIEW

This 25' Mako has a modified transom that comfortably holds two 225hp Mercury 2-Stroke Engines. These Merc's are 2000 and only have 56 hours on them. The folding fishing tower with duel controls is a bonus. The engines have counter rotating props and the electric lift gets the power plants out of the water. It has a power windlass at the bow and port and starboard power electric down riggers. Plenty of storage and lots of extras go with this vessel. The duel axle aluminum trailer looks practically new. It is worth checking out this fishing machine. Mako is known for its reputation and has always built a great boat.

Additional Equipment

Dimensions

LOA: 26 ft Max Draft: 1 ft 2 in Trim Tabs: Yes
