Total Cabins: 1

Total Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Nanni

Model: 4.3L

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Overview

The Bertram 31 Sportfish has long been cherished as the true battlewagon of small fishing boats. Known for its excellent riding deep V hull and heavily built fiberglass construction, these are among the toughest boats ever made.

The large cockpit in Retriever is teak, eliminating the original Nautilux sole. The teak covering boards accent the cockpit and give her the true custom sport fish look and feel.

The engines are each housed in individual engine boxes with a walk through to the cabin. The boxes double as seats and are covered with vinyl cushions.

The cabin features a v-berth, galley, dinette and enclosed head compartment.

Refits in 2000 and 2008 have left Retriever in the best of condition. She has been kept with an open checkbook since.

Cabin

Entering from the cockpit, the head is to starboard and dinette to port. The galley is slightly forward on the starboard and the V-Berth is all the way forward. The cabin sole is Amtico teak and holly for maximum durability.

Cabin - general

- Cabin front windshield
- Chart flat with custom carpet cover
- Sliding side windows with aluminum frames
- Overhead rod storage racks
- Amtico teak and holly flooring

Flybridge

- Custom fiberglass hardtop with aluminum frame
- Teak electronics boxes
