Overview

A large particularly distinctive sports style yacht, ONENESS was produced at Palmer Johnson Yachts (USA) and was launched to completion in 2009. Designed by Nuvolari & Lenard, her exterior profiling ensures speed and agility while detailed curves see the wheelhouse as a simple extension of her sleek sporting lines. With her large decks, ONENESS is definitely designed for guests to enjoy the outdoor life. With a panoramic view, the flybridge boasts a jacuzzi with sunloungers, a dining area, a large seating area in the shade with a pop out flat screen TV, where one can relax or decide to hit the gym equipment, protected from the sun. Massive sunpads can be found on both the aft deck and foredeck which also include a seating area just forward of the wheelhouse. The long aft deck offers shade too and its dining table can sit up to 12 guests for al-fresco lunches. Modern and spacious, ONENESS interiors reflect a perfect balance between minimalism and sophistication. **Arts collection of Gary Hume onboard is not for sale with the boat, it is subject for separate deal with the owner.** The main salon boasts a large seating area with a bar and a card table with a carved chess board. The adjoining dining table can sit up to ten guests. The full-beam master stateroom is situated on the main deck forward. Forward to the bedroom, there is a full-beam, double His & Hers bathroom. Daylight flows in through four large windows on each side, that creates a very airy, light and a pleasant atmosphere. Located one deck below the master suite, the guests accommodation includes a VIP cabin with its own bathroom and a salon area. The VIP salon area can be isolated and turned into a separate cabin with its own en-suite bathroom. When needed, the two extra double cabins can be turned into twin cabins by the push of a button.
