SPECIFICATIONS

Overview

Introduced in 1979, the Hatteras 43 Convertible was the replacement boat for the aging Hatteras 42 Convertible. She was built on a then-new double chine hull with a wide beam, and not only is the ride drier than the old 42, the wider beam made for a larger engine room and a more spacious interior. The standard two-stateroom, galley-down interior of the 43 Convertible has a very spacious salon with an optional built-in lounge that can sleep two. There are twin berths in the master stateroom and the forward stateroom includes a sink and concealed toilet. The flybridge is very spacious with seating for a small crowd. She has twin Detroit high-performance 6V92s. 500hp is offered for a cruising speed of 21-22 knots (about 25 knots top).
