SPECIFICATIONS

Overview

Sunseeker Predator's set the standard for quality and performance in the 50 foot-plus luxury express cruiser market, with her long foredeck and sleek profile, the 56 Predator is a crowd stopper at any dock. Her sheer size is impressive enough, but it's the extravagant high-style interior that causes first-time viewers to catch their breath. Laid out on a single level and presenting a panorama of curved bulkheads and designer furnishings the accommodations rival those found in a larger motor yachts. In the spacious saloon, deeply upholstered seating curves around a dining table that can seat eight - and the cockpit can also provide all the enjoyment of a fresco living. Royal Indulgence is a sleek and brawny vessel, simply a gorgeous yacht. She is a very clean and well-maintained 56' Predator that sports roominess and speed with her MAN 800HP engines. Without a doubt, this yacht is unlike any other Predator on the market. Primarily used in fresh water for the first six years – and lightly used – it truly shows like a much newer vessel. Current owner has had a change of plans – having just finished all major services and gotten her ready to cruise, this beauty is as turn key as they come! Short list of items just completed in December 2014:

- Full service to engines and generator, including cooling systems
- Full bottom paint and PropSpeed – thru-hull pickups removed and cleaned
- Full buff and wax of hull and topsides
- Teak cleaned
- Retractable hard top – serviced
- New aft canvas backdrop and new Bimini top with enclosure (not currently installed)
- Three (3) new house batteries
- New LED Lighting throughout vessel
