## Overview

---

SILVER STREAK is fine example of a well-cared for luxury high performance express yacht. She is in pristine condition and shows quite well for her vintage. Her low hours and immaculate condition is due to her very light use as a day boat on the Great Lakes for the first five years of her life on the water. Professional maintenance by a very fastidious Captain is apparent throughout the yacht and she is fully serviced and ready for her next owner. Lying in Stuart Florida, she is always ready to show on short notice. If you are in the market for a high performance Italian express yacht be sure to board "Silver Streak" last as your search will be over. She is truly magnificent!

Contact central listing agent Jim Hill at 772-215-0878 to schedule a boarding.
