## Overview

---

PISCES is the perfect blend of a beautiful classic trawler line, a detailed and comfortable interior coupled with the exterior and low maintenance engineering of the Northwest workboat. She is the full package! Her single Lugger diesel and massive high lift rudder acting as a stern thruster allow for easy maneuvering, plus there is a robust hydraulic windlass and bow thruster. Incredible and robust steel exterior and an amazing hardwood and stone interior.

The vessel interior was constructed with lovely high ceilings so there is abundant light. Even the tallest of owners and their guests will appreciate this yacht. The master stateroom is fit for a king with full queen bed and a full walk-in shower. There is a second accommodations forward and also walk-in access to the incredible engine compartment.

This yacht shows meticulous attention to detail and has under 120 hours on her Lugger diesel. Owners change of plans is your opportunity! Built in North America to the highest standards, this yacht will turn heads in any port as her owners enjoy a true Northwest trawler with the soul of the Northwest work boat. Seller will offer the Yacht for Charter.

# DETAILED INFORMATION

---

## Accommodations

---

PISCES has a cavernous interior with headroom up to 91". The spacious feel in the Master Stateroom is not found on many boats. Cabinetry is executed in Alaska yellow Cedar and accented with Afromosia. Flooring is Brazilian Brownheart.

The Galley features a Miele combo microwave/convection oven, Kupperbusch induction cooktop and a Perlick refrigerator and freezer. The counter tops are Soapstone and the cabinetry is stunning.

There are two spacious bathrooms with beautiful shower walls of natural sandstone veneer panels. In the head are 2 deck-lights mounted port and starboard with another in the toilet compartment forward. Forward are two single bunks and the Master stateroom has a queen size bed with copious storage under and in perimeter cabinets. Access from forward stateroom aftward is to separate electric/storage space, and the engine compartment is aft thru watertight doors.

Step into the living area with modern galley and helm station with dining space and elegant windows on the world. Forward you descend to the guest accommodations beneath the foredeck. There is an overhead skylight providing natural illumination for two single berths, one against each hull side. Walk-in engine access is aft from this area. The guest head is fitted with a large shower stall lined with beautiful sandstone veneer panels, engineered for water resistance, ease of cleaning and longevity.

Master stateroom is accessed via a separate outside door under a roof overhang. Here you find an impressive 90 inches of headroom and a queen sized island berth with lockers and shelving built into the recesses. The adjoining master head also features shower walls of natural sandstone veneer panels with a soapstone countertop at the vanity. The hydronic radiators deliver a comfortable and even heat throughout the boat.

## Galley

---

- U-shaped galley with soapstone countertop with stainless steel sink
- LED lighting
- Miele combination microwave convection
- Kupperbusch induction cooktop
- Perlick refrigerator and freezer

## Electronics & Navigation

---

- Icom IC-M706 VHF
- Icom IC-M422 VHF
- Victron energy inverters with VE.Net controls
- Monitor Screens: (2) Argonaut 15" transfective screens
- Computer Argonaut PC based navigation by Rosepoint
- Hepworth Marine variable speed wiper controller
- Raritan electronic tank monitors
- (2) Units of TFLEX G615XL screens
- Sea Watch 1500x Plus
- Waterwitch multi-bilge alert
- C SB200 Class B AIS transponder

---

## Tankage

Main fuel tanks (2) = 1100 gallons + 110 gallon day tank for a total of 1210 gallons. The system is outfitted with a Seapar fuel filtration system. The Cruising Range is about 2,200 miles.

Water tanks (2) (stainless) @ 400 gallons each = 800 gallons total. The grey and black water tanks are 75 gallons each and are plastic. All tanks have ultra sonic level sensing.

---

## Engine & Mechanical

- This 45 ton boat is outfitted with hydraulic stabilizers, a bulbous bow with a hydraulic thruster.
- The main 240 HP Luger turbo charged engine is naturally aspirated and has a 4.5:1 reduction Gear. This propels a 52.5 by 40" 4 blade Prop inside a Nautican Speed Nozzle. The Schilling high lift rudder combined with the Hydraulic Thruster make for easy maneuvering in tight quarters. The rudder has a 140 degree turn radius and is outfitted with a Rotary Actuator.
- There is a second engine - 70hp Daewoo with second shaft, engine room work bench and Kabola B-tap 24VAC boiler for heating and hot water.
- Second on-deck docking station with Kobelt walk-around controller with a monitor screen, plus a wired thruster and engine control unit.
- Engine with the following gauges at the helm: oil temp, oil pressure, exhaust gas temp, boost pressure, transmission pressure, transmission temp, hydraulic temp
- Kobelt commercial controls for engines, bow thruster and jog lever

---

## Construction

- Steel construction Aluminum/Steel bi-metal bond stock joins house to the steel

decks.

- External Box Keel Plate thickness ½”
- Keel to Chine Plate thickness 3/8”
- Hull Plate thickness ¼”
- House Aluminum marine alloy thickness ¼”

## Deck & Hull

---

- Deck equipment includes a Spencer Carter Double Gypsy Hydraulic Anchor Winch. There is 800ft. of 1/2" galvanized chain and there are two 160 pound Admiralty Anchors.
- The safety equipment includes a Hydraulic emergency bilge pump / fire fighting station
- Deck prisms bring additional light below
- Interior woodwork Alaska yellow cedar with contrasting moldings and accents of afrormosia. Interior woodwork by Keith Battersby of Sannich, BC
- Diamond Sea Glaze windows
- Cabin Soles are finished with Brazilian brownheart
- Mooring bollards, bits and ring cleats
- Substantial deck Freeing ports
- 10" hydraulic warping capstan
- Lazarette with genset spare propeller, stowage for crabpots fenders etc.
- 4-Man Zodiac inflatable liferaft
