Overview

T.D. Vinette North Shore 32

Pelican is a unique raised pilothouse trawler built by T.D. Vinette of Escanaba, Michigan and offers space for a large v-berth forward and enough room aft for a galley, dining/seating area, shower and head. The fuel efficient single 80hp Ford Barr Marine Diesel main engine has relatively low hours and runs strong. This vessel is also equipped with a 2007 15hp 4 stroke Honda outboard with electric start and steering and hydraulic tilt. The outboard engine can be used for cruising, trolling, tight quarter maneuvering or as a backup to the main engine. Pelican has been enjoyed each year by the current owner and the many friends who have joined them cruising on the Great Lakes. She is ready for inspection anytime and priced to sell.

DETAILED INFORMATION

North Shore 32 Overview

Pelican is a unique raised pilothouse trawler built by T.D. Vinette of Escanaba, Michigan and offers space for a large v-berth forward and enough room aft for a galley, dining/seating area, shower and head. The fuel efficient single 80hp Ford Barr Marine Diesel main engine has relatively low hours and runs strong. This vessel is also equipped with a 2007 15hp 4 stroke Honda outboard with electric start and steering and hydraulic tilt. The outboard engine can be used for cruising, trolling, tight quarter maneuvering or as a backup to the main engine. Pelican has been enjoyed each year by the current owner and the many friends who have joined them cruising on the Great Lakes. She is ready for inspection anytime and priced to sell.

North Shore 32 Vessel Walkthrough

You can enter the pilothouse from either of the new aluminum doors on port and starboard. The helm is located midship to starboard. Forward of the helm is a spacious area which would make for a comfortable v-berth with 4 rectangular portholes. Aft of the helm is a large, full beam open space with 3 large windows down each side and a very wide flip up and in rear door leading to the aft deck. The engine is located below the helm.

The roof deck above the aft cabin can be accessed by short ladders on both port and starboard, just aft of the pilothouse. The pilothouse roof can be accessed from the aft cabin roof. The forward deck has space for sunbathing or relaxing. Moving around the deck of the boat is very comfortable.

North Shore 32 Pilothouse

- RPM gauge with original hours (unknown accuracy)
- New Hobbs meter with current owners hours
- Garmin GPSmap 192C located above the helm
- ICOM IC-M45 VFH Radio and Speaker above helm to starboard
