DETAILED INFORMATION

Accommodations

Manufacturer Provided Description

The Stamas 310 Express is designed for the avid sportfisherman who also appreciates comfort. The choice of inboard power offers great range and efficiency in getting fishermen to their favorite fishing spots. A few special touches - including an interior headroom of 6 feet, 3 inches - make extended excursions more comfortable. The 310 has a practical midcabin with a double berth and an enclosed stand-up head and shower. From the well-planned galley to the hydraulically assisted dinette table, the appointments are lavish. The huge low-maintenance cockpit accommodates up to six comfortably and offers standard features like a molded dive platform, a transom door, an insulated baitwell and an overboard-draining fishwell.
