## Overview

---

The Beneteau 423 is a World Class and World Rated Performance Cruising Vessel. Highly sought after, this model has been named one of the TOP 40 ALL TIME production boats; With plenty of reason! Her hull has earned a CE 'A' rating and is known for her capability in long range sailing. The additional design feature allowing all sail handling functions to be controlled from the cockpit adds safety and cruisability that only expand the enjoyment of ownership.

This is a beautiful example of the class and comfort you would expect in the Beneteau market. This 2 owner boat has been well maintained with only an estimated 400 hours on her Volvo D2-55A engine. (The hour meter is currently not working.)

The interior woodwork consists of mahogany and mahogany veneer throughout, and its generous application in the salon, galley, and cabins is typical of the now rarely-seen luxury and warmth that have largely been replaced by more 'plastic' interiors.

## Basic Information

---

**Category:** Cruising Sailboat
