SPECIFICATIONS

Overview

The Azimut 72S is the result of the use of carbon-glass throughout most of the structure, a technique that makes the yacht even lighter and stronger as well as ideal to accommodate its 1800 hp MAN engines. Guest safety is encoded in the yacht's DNA, with extra high safety handrails found everywhere, designed with children's maximum safety in mind.

- Fresh Bottom Paint (January 2017)
- Fresh Prop Speed (January 2017)
- Engine Service, Oil & Filters Change (January 2017)
- Complete Buff & Wax (January 2017)
- Extended major components coverage ends Aug 2018

Cockpit

Fused in the cockpit to offer guests unforgettable experiences: the C-shaped sofa with lateral sections that create a chaise lounge effect merges with a central section to form a large sun-deck area. The central structure can be transformed into a table and together with the sofa, creates a comfortable dining area. Furniture and service equipment such as the mini-bar and the barbecue are hidden from sight, perfectly enveloped by the structure's volumes. This avoids creating barriers between the interior and the exterior, when the saloon door is completely open.
