Engine Type: Inboard

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Introduction

"Creative Loafing" was used in fresh water in Tennessee until June of 2014 when she was delivered to St. Petersburg Florida by water. Upon arriving she received full engine and generator services. Her topsides were buffed and waxed in November 2014. All Interior and exterior soft goods are spotless, canvas and enclosures are like new. Truly a spectacular fresh water vessel!

"Creative Loafing's" two stateroom two head layout provides comfort and privacy for family and guests. A spacious salon, large galley, and four person dinette make entertaining a pleasure while oversized windows provide a light and airy relaxing atmosphere.

Top side features include a large enclosed aft deck with hard top as well as a large fly bridge with wet bar and seating for six. The integral aft cockpit provides more room to relax, fish or entertain guests.

Her Volvo 8.L 375 HP engines provide plenty of power and deliver a comfortable and quiet 20 Knot Cruise.
