## Vessel Description

---

### Remarks

SONRISE is loaded with options and maintained to the highest standards by a knowledgeable owner and Captain. SONRISE has an enclosed aft bulkhead, which creates a very spacious and comfortable helm area. With the upgraded engine package (1550 MAN CR), she is very fast and responsive! SONRISE has been extensively updated and is available to inspect anytime in Jupiter, FL. Call today for more details and to schedule a showing on this special 52' Viking!

**Additional photos are available upon request. During the past 12-15 months, the following service items have been completed to bring SONRISE to top condition:**

- **MAN 1,000-hour service completed by Florida Marine Tech. (July 2014)**
- **All thru hull fittings were dropped and inspected.**
- **Props were removed and tuned to "S Class."**
- **Rudders and shafts tested for trueness, and cutlass bearings were replaced.**
- **Cockpit stereo speakers replaced.**
- **New LED running lights installed.**
- **New Windlass foot pedal controls installed.**

### Vessel Walkthrough

SONRISE features a two-stateroom, two-head layout. As you walk forward and enter the helm station, a spacious, air-conditioned area surrounds you with an abundance of space for entertaining. From there, you enter the salon door on the starboard side and are introduced to the gracious salon area and galley. The master stateroom is forward with a centerline queen berth and ensuite head. The guest stateroom is located to port and features overhead bunks. The spacious galley is located to starboard and has upgraded Stainless steel Subzero drawers.
