# DETAILED INFORMATION

---

## Accommodations

---

Boarding is accomplished by stepping onto the wide gunwale and onto the large aft cockpit deck. On the starboard under gunwale, by the main bulkhead are two 30 amp shore power inlets, a removable 4 rod holder rocker launcher in the center of the aft cockpit, two in gunwale rod holders on port and starboard sides, two movable deck chairs, a ladder on the port side of the cockpit leading to the flybridge, and a bait preparation station with ice box. Climbing up the ladder leads to the flybridge (lower helm station with 360 degree un-obstructive views.

There are two captains chairs aft of the helm, port side bench seating and another bench seating in front of the helm. An electronics box is mounted above the helm station. Continuing up the tuna tower is the upper helm control station complete with a Bimini top.

Entry to the main salon is by opening a aft bulkhead door on the starboard side of the aft cockpit, stepping up one step. Inside the salon deck is carpeted with an L-shaped couch to port with a wood satin finished table, rod/reel storage on the ceiling, forward port bulkhead consists of a large screen TV. On the starboard side is a small wood table with a single simulated alligator skin chair. Forward and down a few short steps on the starboard side is the galley consisting of a stand up Magic Chef refrigerator/freezer, Corian counter top with large deep sink, a three burner Origo electric stove, Magic Chef microwave oven, storage below and cabinets above. Opposite the galley on the port side is the guest stateroom with two single berths. Forward of the guest stateroom is the head/shower also port side. Forward of the head is the master stateroom with a solid V style island berth, ceiling hatch and overhead lighting.
