SPECIFICATIONS

Overview

LIKE NEW WITH ONLY 131 LOW HOURS ON ENGINES

This boat is absolutely gorgeous and literally shows like new! She was special ordered from the factory and is optioned to perfection. Flag Blue Hull color, Dark High Gloss Cherry interior and rich wood flooring. For the 2012 model year many substantial material upgrades were built into the boat both inside and out. Joystick Control makes operating a stress free experience. She is a great offshore performer with Island capability and can entertain a party in her versatile cockpit.

Because the Zeus pod drives used in the 450 require less engine room space than traditional V-drive inboards, Sea Ray engineers were able to create a much larger amidships area aft of the salon space dedicated a second stateroom in previous Sundancer models but now used for the 450's media room.

In other respects, the 450 Sundancer follows the pattern of previous Sundancer model introductions: cutting-edge styling, sumptuous accommodations, and yacht-class construction. Features include a hardtop with retractable sunroof, huge cockpit with full-service wet bar, and joystick controls. The entire aft cockpit floor lifts for engine access. Cruise at 26 knots (30+ top) with Cummins diesels and Zeus pod drives.

Basic Information

Category: Motor Yacht

Model Year: 2012

Year Built: 2012

Country: United States

Dimensions

LOA: 45' 0" (13.72m)
