DETAILED INFORMATION

DESCRIPTION

The SEA RAY 550 Sedan Bridge combines the performance and styling of a Sedan Bridge with the spacious and elegant live aboard accommodations of a 55' luxury yacht. This yacht has been completely updated, including new interior, exterior, and electronics! The 22' flybridge offers seating for 10-12 with new Strataglass (2014) enclosure, new Raymarine digital HD color radar (2014) networked into dual Raymarine E130 wide multi-function displays (2013). Other new electronic (2013/2014) are the extended Wifi with iNav Hub, iCon, VHF with new hailer/horn, satellite weather radio, digital depth finder and new transducers, and cc video feed of Engine Room. The flooring in the flybridge is covered with new marine weave synthetic snap-in covering (2013). All bridge seating has been reupholstered in 2013/1014 and includes an adjustable captain's chair, and companion helm seat, bench seating front and rear of the helms chairs. The built in fiberglass stairway provides access to the cockpit via (2013) teak simulated PlasDeck covered steps. The cockpit is covered with new marine weave synthetic snap-in coverings (2013). In the cockpit guests can relax in aft corner banquettes reupholstered in 2013 or venture out to the swimplatform covered with PlasDeck decking (2013). The cockpit and flybridge have stunning new(2014) LED tricolor (white dimming, blue, and red) lighting that makes this boat a beauty in the slip at night and easy to command at sea at night. From the cockpit forward, a large glass sliding door leads to the cabin featuring new hardwood floors (2014) in the saloon, dinette, and galley areas. Directly ahead are the three staterooms with new carpeting and bedding (2013). The ensuite master head and the guest head have new porcelain flooring (2014). In the saloon to port is substantial storage and a new (2014) Uline refrigerator/freezer and new backsplash (2014)

Underwater Gear

Bonding system

Manganese bronze rudders and struts

Stainless steel prop shafts (Aquamet 22)

Zinc hull plate

Dripless shaft logs with extra seal carrier kit

Seacocks on all underwater fittings

Seawater strainers

Bennett Hydraulic trim tabs

Propellers

Cockpit Features

Self-bailing fiberglass cockpit

Snap-in marine weave liner

Indirect LED Cockpit Lighting

Transom Door

Aft Deck Storage Lockers

Molded Deck Access Steps

Stainless Steel Cockpit Steps

Cockpit Storage Box (flush)

Gas-Assisted Bilge Access Hatch

Aft Cockpit Seats

Windlass

Lofrans Progress II (Chain) with foot switches, stainless steel anchor chute with Forward Anchor washdown with hose

Anchor Chain Storage with Hatch

PVC Rub Rail with Stainless Steel Insert

Integral Bow Pulpit

Integral Swim Platform with transom ladder

Translucent Deck Hatch (20 x 20) with locks and sky screen cover

Foam filled under-floor areas

Insulated Engine Compartment

Gel-coated bilge area

Fiberglass diamond plate flooring in bilge

Bottom Paint with epoxy primer

Rod Holders (4)

Meets applicable USCH & ABYC Standards

NMMA Yacht Certification

Hull and Deck Features

Artic White Gel Coat

High Performance Vinylester Resin

Boot Stripes

316 Stainless Extended Bow Rail (1 ¼" Diameter)

Stainless Steel Port Lights

Welded Stainless Steel Stanchions

316 Welded Stainless Steel Deck Rails

Navigation Lights

4-bolt Stainless Steel Cleats (8) Stainless Steel Deck Plates

Bridge features

Stainless steel bridge safety rails

Snap-in marine weave liner

Molded fiberglass bridge access steps with storage

Burl instrument panels

Aluminum-framed venture shield

(2) Adjustable captain's chair

Forward curved bench seating with forward storage

Bridge control station

Bridge cockpit courtesy lights

Bridge storage

Aft bench seat with canvas cover

Cabin Features

Granite-Colored Countertops

Fluorescent, Directional, and Indirect lighting

Hardwood engineered floor floating in Saloon

Hardwood engineered floor fixed in Dinette and Galley

Deep poke carpeting with padding in Staterooms

Throw Pillows

Handcrafted wood trim

Acrylic sea rails throughout

Master Stateroom

Full size bed with innerspring mattress, pillows, sheets and coordinated spread with storage below

Emergency engine stop

Custom Sea Ray backlift instrumentation with low glare red night lighting

Two DDEC digital panel readouts with all engine monitors

Two Analog Voltmeters

Three Electric Fuel Guages

Three (Bilge) Hourmeter

ACR remote controlled spotlight

Oil changer System

NuTone Central Vacuum

Raymarine Sirius Satellite

E120 Wide MF Networked Displays

Raymarine Sirius Satellite Weather Receiver

Raymarine DSM 300 Digital Depth/Fishfinder

Raymarine 1048 HD Color Digital 72 mi Radar

Raydata multifunction instrument: depth finder, speed/sumlog, water temperature

Compass

Macerator

Dual hydraulic gear shift and throttle engine controls

Group 31 batteries (6) with hold downs and switches (3)

Glendenning cablemaster (2) with remote

Emergency start system- engines only

50 amp electronics circuit with ground plate

Color coded and marked wiring with chafe protection

Air conditioning/heating 240V Reverse cycle

New A/C raw water pump with manifold installed

Dockside power with 75; cord

12V alternator (1 per pair of engines) engine driven (DDC)

120V/40 amp 12v converter

120V/25 amp 24V converter

Galvanic insulator

12V Receptacle

24V Electric System

Main DC Breaker Panel

Bilge LED Lights (24V)

Systems monitor panel

Aluminum fuel tanks (3) with fuel valves and electric sending units

Halon system with manual override – (Bilge Engine area and Lazzeratte)

Engine alarms (oil, water and transmission)

Pressure water system, strainer and accumulator tank (240V and 24V)

20 gallon water heater

Crossover fuel system

Dual racor filters

Engine drip sumps

Power vents- Head and galley (24V)

Freshwater washdown with cockpit shower and dockside water inlet

Bilge freshwater hose and spigot

Power pad exhaust system

Bilge temperature alarms to systems monitor

DDEC Engine Synchronizer

24V air horn with accumulator tank

Bilge fan, cord reel light, storage rack, fire extinguishers – in Bilge and Lazzerette

Generator

240V/60 cycle 21 kW Onan/Cummins Diesel with sound box – remote start with muffler freshwater cooling, fuel filter, seacock and seawater strainer with two batteries.

Options

Twin disc electronic shift and throttle controls

Forward deck sun pad

Additional 120V outlet

Exclusions

Owner's personal belongings.
