SPECIFICATIONS

Overview

"Bott's" has just had a complete interior and exterior detailing and renewal of all exterior eisenglass, cushions and exterior seating areas. The entire vessel was just polished and is a shining and pristine example of the Viking Princess V58. All engine maintenance including thousand hour work has been done prior to her being listed for sale. The interior is a beautiful dark cherry and all soft goods are very high end with a traditional flair. The owners are moving up to a larger motoryacht and will entertain all reasonable offers.
