SPECIFICATIONS

Overview

The Sea Ray 250 SLX represents the company's launch into a premium build in the 25' range. This 250 SLX exudes quality and class throughout its handsome balance of style, features, and standard equipment. This boat has the coveted and integral fiberglass sport tower with aft bimini. The boat has been kept high and dry and has been recently detailed and waxed. The optional Mercruiser 6.2 MPI (320hp) with Bravo III powerplant is a nice upgrade from the standard 300hp 5.7 MPI. Don't miss out on summer fun on the water, call today to learn more about this listing. This boat recently found its way from a fresh water lake in North Carolina to Tampa, FL.

All fuel consumption numbers are the total for all engines in the boat. Speeds are measured with Stalker ProSports radar gun or GPS. Fuel consumption (gallons per hour) measured with Floscan digital fuel-flow meter or by on-board factory-installed diagnostic instruments. Range is based on 90% of published fuel capacity. Sound levels determined using Radio Shack digital decibel meter on A scale. 68 dBA is the level of normal conversation.
