### ACCOMMODATIONS

As you board MIDKNIGHT from the teak aft boarding platform that has S.S. U shaped rails there are three steps, port and starboard, up to gates leading to the aft deck. Foreword on the port side is a cockpit control station that includes engine controls, bow and stern thruster controls, auto pilot controls and a radar/ plotter screen. There is a molded fiberglass stairway that leads to the fly bridge on the starboard side. A large sliding glass door opens to the main salon. There is an “L” shaped settee on the port side of the salon, with an end table and a coffee table and on the starboard side is an entertainment center with TV and stereo equipment and a barrel chair on a swivel. Up two steps is a dinette on the starboard side and full galley with granite countertops on the port side. A centerline stairway goes down to a queen sized bed portside guest stateroom and starboard side over/under berth guest stateroom. Both have access to the guest head with stall shower. Forward is the master stateroom with centerline queen bed, two hanging lockers and private owner’s head with stall shower. All three staterooms have flat screen TVs.

The fly bridge is the main helm station and has a full fiberglass hardtop with two opening roof hatches and features new enclosures, two helm seats and an “L” shaped settee and table. Wide side decks with welded stainless steel rails lead from the aft deck to the bow pulpit.

### HULL, SUPERSTRUCTURE AND DECKS

- Hand-laid gel-coated fiberglass hull
- Airex C70.90 foam on hull sides
- AL 600 Balsa core on superstructure
- Solid fiberglass hull bottom
- Sunbrella fabric (Berenson Tuxedo #8521) on outside cushions
- Fiberglass bow pulpit w/SS anchor roller
- Fiberglass radar arch with hard top & ventilation hatches

- High performance, computer designed and machined class "S" propellers
- Custom propeller shafts
- Zincs on rudders, shafts and trim tabs
- Bronze through-hull fittings
- Trim tabs
- SS handrails on transom
- Fresh and salt water wash down at bow and cockpit
- Lifeline for boat deck rails

- U-shaped rails on swim platform
- Sunbrella fabric on outside cushions
- Plexiglass flybridge hatch
- Fully enclosed flybridge
- Eyebrow extension over cockpit

## CONTROL AND NAVIGATION

- One control station at FB
- Complete engine instrumentation
- International navigation lights
- Engine hour meter
- Electronic engine synchronization
- Side-power bow thruster 13HP
- Side-power stern thruster 13HP
- Electric engine control
- Hydraulic steering system
- Engine alarm system, audio oil and temperature
- Kahlenberg single trumpet air horn
- Ritchie compass
- Ray Marine 7212 GPS/Plotter
- Ray Marine 4kW open array radar
- Garmin digital sounder
- Garmin transducer
- Ray Marine autopilot with remote
- ICOM M-604 VHF
- Tracvision satellite TV system

## ELECTRICAL SYSTEM

- AGM Batteries (new 2011)
- Cigarette lighter type DC outlet (FB)
- Engine battery disconnect switch
- Battery paralleling switch
- Service battery switch
- 200W inverter/charger
- 12V lights in all compartments
- Magnetic circuit breakers
- VOLT and AMP meters
- Bonding throughout
- AC outlets throughout
- Shore power receptacle 1x50AMP 120/240 VAC in two locations

- 50' x 50 amp extension cord

## ENGINE ROOM & BILGE

- Flojet pressure fresh-water system
- Headhunter Mach 5 freshwater back-up
- Johnson pressure sea-water system
- Aluminum fuel tanks with sight gauges
- Holding tank gauge
- Lighted bilge
- Waterproof florescent lighting
- Common drainage system for sink, shower, bilge and exterior deck
- Color-coded piping for fuel, water and hydraulic systems
- Five electric bilge pumps, 24V auto and manual switch, sumped when available
- One manual bilge pump
- 12V shower sump pump
- Cruisair compressors for central air conditioner 16K & 24K (4 units total for 60K BTU)
- Two TaylorMade air conditioner pumps P1000C
- Generator with gas/water separator
- Oil changing system for both engines and genset
- Dual Racor fuel filters and Y-valves
- Sea cocks and raw water strainers on all intakes
- Quash and Thinsulate sound insulation
- Racor fuel/water separators
- Engine room vent blowers (2) 12V
- Engine insulation switches
- Heronrib rubber floors for engine room walkway
- 110V Florescent lights or wiring only for 220V / 50 Hz system
- AC outlet
- Fresh-water outlet with hose for engines & generator
- Fiberglass exhaust pipes with mufflers
- 30 gallon water heater
- 3 valves in steering system for autopilot
- Dripless engine shaft seal logs
- Dripless seals for rudder posts
- 24V ceiling lights, anti-explosion type in engine room
- Lower deck and higher deck
- Fireboy fire extinguisher system with engine shutdown system
- Tank tenders for 4 tanks

---
