SPECIFICATIONS

Overview

The Prairie 36 was made in Clearwater, Florida by the Prairie Boatworks Company and designed by legendary naval architect Jack Hargrave of the Hatteras Yachts fame. She resembles the Hatteras 42 LRC and is one tough trawler that's great as a cruiser and/or live-a-board. The current owner of 16 years added a new Powertech 7kw Genset (915 hrs) in 2000. Updated Corian countertops with newer galley appliances make for a fresh look as do the hardwood floors in salon and galley. A real deal for someone looking for a trawler in the \$50k range.

Fuel efficient and naturally aspirated Perkins 85 hp diesels with approximately 1775 hours each.
