SPECIFICATIONS

Overview

The Hatteras 32 Flybridge Sport Fisherman is a Quality Built Sport Fisherman that one would expect from the name Hatteras. Her Hull was designed by Jim Wynne and features a wide beam, recessed prop pockets and a relatively steep 18 degree dead rise at the transom. The 18 degree dead rise and her considerable bow flare combine to make an excellent offshore performer. Her cockpit is huge, yet her cabin is very spacious as well for just a 32' boat. She has just been recently surveyed in March of 2012 and has a full report to back up her condition. She is powered with a pair of 300 hp 350 crusader's and has just been fully detailed inside and out. This boat is ready to fish!

Basic Information

Category: Sport Fisherman

Model Year: 1986
