SPECIFICATIONS

Overview

This Grady White 330 Express "Jersey Girl" is a great example of a well cared for 2006 Grady White .The owner has detailed records of maintenance and repairs since he bought the boat in 2012; he actively maintains the boat so that everything on board is working! "Jersey Girl" has twin Yamaha 250 4 stroke engines with low hours (serviced every 100 hours) plus a Panda diesel generator.

"Jersey Girl" had fresh bottom paint applied in August 2013. She has all the Grady Standards and some extras. She is well outfitted for fishing although the current owner has used her as a cruiser. The upper cockpit/helm area has helm console on center line and a comfortable adjustable helm chair. The captain has easy access to a full complement of navigation equipment (including bow thruster) and great visibility plus there is ample guest seating. The cabin includes many convenience and comfort items including a teak and holly sole, large V berth, dinette, mid cabin double berth with a new mattress, entertainment systems, fully functional galley and an enclosed head. This Grady is equipped with a generator and reverse cycle air and heat.

DETAILED INFORMATION

Cabin

Up front is a raised berth with rod storage loops overhead and stained wood racks for books and magazines on the sides. Teak and holly floors, the teak dinette table and various wood trim add warmth to the space. The dinette table drops down and a filler cushion can be added to make this into a berth.

The port side galley is fully functional and includes a NEW dual voltage refrigerator. Across from the galley is a separate head compartment. There is a mid cabin double berth with a privacy curtain and a New mattress.

Teak and Holly Flooring

Teak Dining Table, High Gloss, Adjustable w/Filler Cushion

Berth, Forward Vee Berth with Storage Under

Overhead Hatches (2), Opening with Retractable Screen/Shade

Air Conditioning, Reverse Cycle, Serviced April, 2014

Upper Cockpit and Helm

This Grady is outfitted with a hard top and safety glass windshield and side windows. There is a four sided enclosure, new in 2013. It has an adjustable helm seat, pop up electronics box and zippered net storage overhead for life jackets and throwables. You definitely have some good sight lines from the bridge deck. Comfortable lounge seats surround the helm and offer storage underneath.

Hard Top with Windshield and Side Windows

Bow Thruster

Compass

Steering Wheel, Stainless Steel

Yamaha Digital Gauges

Lower Cockpit

The enclosure separating the upper helm area is in three sections, so the middle section can be opened and raised for passage to the lower cockpit from the helm area. The large cockpit has high gunwales and cockpit bolsters and the floor is reinforced so you can add a fighting chair. The gunwales have flush mounted rod holders and under gunwale rod racks. In the port corner is a handy drop box and in the wall below it the battery switches and fuel cut-off valves are located. The center box is a huge 254-qt fish box and in front of it is a foldaway seat. Behind and under it are access panels to the diesel generator and dedicated tank.

Cabinet with Battery Select Switches

Cushioned Seating, Rear Facing, Port and Starboard

Foldaway Aft Bench Seating, Cushioned
