ПОДРОБНОЕ ОПИСАНИЕ

Vessel Walkthrough

This state of the art Express Cruiser by Cruisers Yachts is in excellent condition and has many upgrades. The two master staterooms with their own heads with separate shower stalls provide spacious accommodations. The large salon features a huge ultraleather couch, beautiful cherrywood cabinetry, and large, fully equipped galley for all the comforts of a high end condo. The couch makes into a full size berth for extra sleeping accommodations. All stainless steel galley appliances, Corian countertops, and rich cherrywood create a very upscale feel. Above decks is a very open and spacious cockpit with seating for 12-14 adults. The enclosed helm, created by the joining of the hardtop and windshield, provides excellent visibility. The walk-through windshield provides safe and easy access to the foredeck.

Two 16,000 BTU Marine AC units provides a climate controlled cockpit that is comfortable year round. This owner added a custom aft bimini and full enclosures with poly carbonate glass that provides a fully enclosed cockpit. The " summer kitchen" consists of an electric grill, icemaker, refrigerator, and wet bar area to starboard and a huge dinette with large cherrywood table to port. The cockpit TV hides away when not in use. A large sliding glass sunroof allows lots of fresh air on those days when you want to open it up.

Powered by Volvo Penta IPS diesel pod drives, this 540 Coups cruises at 28-30 knots and is surprisingly fuel efficient. Joystick docking makes handling in close quarter a breeze. She is completely equipped with navigation gear by Raymarine and includes radar, autopilot, sonar, color plotter, VHF radio, and SAT TV system.

Finally, the hydraulic swim platform handles your tender or jet ski with ease. All trades considered.

Salon

- Large ultraleather sleeper sofa
- Real cherrywood cabinetry
- Deep pile carpet w/ covers
- (2) Removable dinette tables
- 7' Headroom
- (3) Vertical port holes
- Wood mini blinds
