SPECIFICATIONS

Overview

Among the many reasons why Sea Ray practically owns the market for high-end express cruisers, innovative styling probably ranks at the top of the list. Indeed, the compelling lines of the Sea Ray 330 Sundancer are as good as it gets in a modern express yacht. Like most Sundancer models, the 330 rides on a deep-V hull with moderate beam, and a solid fiberglass bottom. Her spacious cockpit features wraparound lounge seating aft, an large wet bar with optional grill and refrigerator. A slick foldaway transom seat great viewing area off the swim platform when the kids are playing on the beach. A power engine hatch provides easy access to the engine room. Below decks, her midcabin accommodations are a compelling blend of cherrywood cabinets, wood flooring, Ultraleather seating, and designer galley appliances. Privacy curtains separate the sleeping areas from the main salon, and a flat-screen TV can be viewed from anywhere in the cabin. Note the innovative fiberglass arch top with full camper canvas, Koehler 5kW Generator, Recent Service, Twin MerCruiser 260hp Axius BRAVO III (gas) cruise at 27 knots with a top-end of 38.5 knots.
