SPECIFICATIONS

Overview

With her tall freeboard and sleek appearance, the 370 Express conveys the impression of being a bigger boat than her 36-foot hull water-line length suggests. Built on a cored modified-V hull with prop pockets and an integrated swim platform, she offers a choice of cabin layouts (forward bulk head or none), a rarity in production express boats these days. A very spacious single-stateroom floor plan has an aft sleeper-sofa in the salon with single level flooring. What makes these layouts so comfortable and unique is the single-level salon sole; in most other mid cabin designs, the settee/aft berth area is a step down from the salon floor. The interior is tastefully finished with cherry woodwork and joinery. It is unusually spacious thanks to the 370's wide 13' beam. Additional features include a walk-through windshield, a separate stall shower in the head, excellent engine access, and a cockpit wet bar. The twin Yanmar 315hp cruises the vessel in the mid 20's with 28-29 knots at WOT.

Basic Information

Category: Cruiser

Sub Category: Cabin Cruiser

Model Year: 2004

Year Built: 2004

Country: United States

Dimensions

LOA: 40' 2" (12.24m)
