## Overview

---

### Boat Name RX2SEA General Description & Overview

This 3200 SeaSport Catamaran is configured as a pilot house with a fly bridge. The catamaran design is a "deep vee, planning hull" that features a broad almost blunt bow that creates a large foredeck space. The bow flare and catamaran hull provides a surprisingly dry and soft smooth ride. It is designed for offshore expeditions and also functions well as an excellent family cruiser. The large 88 sq ft cockpit is both fishing and family friendly. The fully appointed fly-bridge helm seats 6 in comfort. The lower helm with the wheel on the center line is perfect when the weather is less cooperative. Below decks it features all of the creature comforts of a well appointed family cruiser with air conditioning thru out.

## Basic Information

---
