## Walkthrough

---

One boards onto the teak decked swim platform and into the open cockpit area. The area features aft sun pads as well as a circular settee for dining and entertaining. On the port side is the wet bar with sink, refrigerator, and electric grill for "Alfresco" entertaining. The cockpit features a retractable Bimini with Clear Strataglass enclosure (new 03/14). The helm is forward to Starboard with excellent visibility and electronics and engine instruction for ease of operation.

Going forward and down through the companionway into Salon/Galley is a settee for dining. This area converts to a double berth as well. The galley is to port and is complete with a sink, 2-burner electric stove, 12v/110V refrigerator, and built-in microwave oven. To port is the enclosed head, vanity and shower.

Going aft to port is access to the Aft Cabin with twin single berths.

## Remarks

---

VOLANTE (Meaning: To Fly), was purchased new by her current owner in November 2005 from the Cranchi dealer in Pompano Beach. She has been lovingly maintained without regard to expense and kept on a boat lift much of her life. In the summer of 2014, she had a Major Service on her Volvo Main Engines and Outdrives to ensure trouble-free operation. Both Heat Exchangers were replaced, the After-cooler's were serviced, both out drives were rebuilt (receipts detailing work are available), new starter motors, new fuel coolers and new exhaust elbows.

We believe this is an ideal boat for South Florida and Bahamas, only 3' draft and the ability to raise your out drives gives you the ability to "beach" the boat on a sandbar. Also, with only a height of 9'5", it gives you the ability to cruise under most all of the bridges for easy operation on the Intra-Coastal and Canals. With her Bow Thruster and Duo-prop drives, this boat is very easy to handle and extremely efficient or economical on fuel.

The owner is only selling VOLANTE since he is purchasing a larger boat. Inspection and Offers encouraged.
