Overview

The Full Choke is one of the finest, most fishable Express boats available on the market today. The current owner has enjoyed great fishing and has constantly upgraded the look and many systems since her purchase. Over the last 3 years she has received fresh top side paint, new cover boards, new exterior cushions from the helm to the tower, new engine isolator mounts, new Phasor generator, new rudders, new CHIRP transducer, new Garmin electronics, new radar and more...The low hour Caterpillar C-7s were installed in 2006, and are up to date on all maintenance. The hull was painted in 2012 and is detailed seasonally. The owner has spared no expense in keeping the Full Choke in premium condition. She is professionally rigged to fish, is economical, comfortable and a one of a kind find in the world of custom express boats. She is a well built, great riding, fish raiser and a definite head turner. Don't let this opportunity pass you by
