## Overview

---

"Momento" is a great example of a well equipped and well maintained Catalina 310. The Catalina 310 represents an innovative approach to a cruising boat design as it incorporates big boat features many couples desire in an easily handled, stable, thirty-one foot hull. The cockpit will comfortably daysail a group and has long seats for napping or sleeping under the stars. Cockpit lockers are numerous and large enough to hold all your cruising gear. **The side decks are extra wide, safe and secure for easy movement forward and aft.** Sail controls and anchoring systems are well thought out for ease of handling. **The in-mast furling main and roller furled head sail make sail trim a breeze.** The accommodations are designed with a **large owner's cabin forward with a queen size centerline berth, innerspring mattress** and large bank of drawers with lockers located both port and starboard. **The aft stateroom has a large queen sized berth** to accommodate another couple or immense storage.

**New Garmin 740s GPS Chartpotter in Pod installed September 2014. New Flagship Marine AC 16k installed August 2012. New 135% Genoa in 2013. Full Engine Service Done Sept 2014.**

Call today to schedule your opportunity to view the nicest Catalina 310 on the market today.

### Accommodations

**The forward berth features a queen center line berth with innerspring mattress, ample storage with drawers and lockers as well as excellent lighting and ventilation provided by**

a large overhead hatch, 12V fans and lighting. Privacy is provided by a closable opening in the bulkhead and a privacy door. The Salon features plush settees port and starboard with a small snack table with drink holders which can be easily converted to a larger dinner table which is normally stored in the aft berth. The well equipped Galley is aft to the starboard. It features everything necessary to prepare a quick snack for the crew or a well deserved dinner after a day on the water, including appliances, H/C pressure water and plenty of storage. Directly aft of the Galley is a functional Navigation Station. Across from the Galley is the Head with a marine toilet, lavatory and vanity and stand up shower with privacy curtain. A large queen berth with sleeping athwartships is aft under the cockpit. It features amazing storage, opening hatch and a privacy curtain.

New Flagship Marine 16k btu Air Conditioning system was installed in August 2012 and keeps the entire boat extremely comfortable.
