DETAILED INFORMATION

Description

The Superyacht JIVA fuses stylish exterior lines with a contemporary interior. The yacht's main salon features large windows to port and starboard along with beautiful wooden floors and plenty of seating on 2 luxurious sofas and 4 armchairs. The salon is open right through to the dining area, increasing the sense of space throughout the main living areas. Motor yacht JIVA has generous interiors and accommodation for up to 10 guests (12 using the twin Pullmans) in five luxurious cabins. Her stylish master cabin is located on the main deck and features a walk-in wardrobe and ensuite facilities. There are four guest cabins on the lower deck consisting of 2 Double guest staterooms and 2 Twin guest cabins. All of the cabins are fitted with plasma TV screens and DVD and music systems. The Superyacht JIVA's design not only offers sleek good looks but also great performance with long-distance cruising ability. With a cruising speed of 19 knots her fuel consumption is around 900 ltrs ph with a range of up to 440 miles. Motor yacht JIVA can attain a top speed of 26 knots thanks to her Twin MTU 16V 2000 M93 series engines and has zero speed stabilisation at anchor and while underway.
