Traditional Style

State-of-the-Art Construction & Design

Super Fast & Fuel Efficient

High Performance Epoxy Deep-V Hull

Smooth Dry Ride in Rough Water

2'4" Draft with Pocketed Prop

Single Yanmar 440 HP Diesel 836 Hrs

Northern Lights 5.5 KW Generator 180 Hrs

3KW Freedom Inverter

Bow & Stern Thrusters

RayMarine Electronics

Reverse Cycle A/C & Heat

Stidd Captain & Mate Seats

Cockpit Settees & Transom Seat

Convertible Dinette

The MJM 34z was a trend setting design when introduced in 2003. Her Doug Zurn hull design with its Carolina Flare combines superb performance with solid good looks and provides an incredibly smooth and dry ride. Fuel efficiency and speed is maximized by her strong & light epoxy hull with generous power from the single 440HP Yanmar Diesel. The pocketed prop enhances performance and provides a shallow 2'4" draft. Bow and stern thrusters make docking easy. Generator and A/C provide comfort under way and at rest. The motivated owner of Carpe Diem has priced this boat under 300K for a quick sale but he still pays top dollar for professional maintenance. Don't miss this tremendous value!

Basic Information
