SPECIFICATIONS

Overview

Odyssey has spent most of her life sailing on the Chesapeake Bay. Current owner since 1999 has done multiple trips along the ICW and has sailed her across to the Abacos, Bahamas. She's easily single handled with roller furling. She has an impressive sail inventory including Dutchman main, two genoas, storm jib and assymetrical spinnaker with snuffer. Odyssey is powered by a dependable and well running Westerbeake 29 hp diesel with plenty of engine spares. The interior is rich with the traditional warmth of teak. Owner removed the 2nd head and made a nice navigation station / office room.

Additional Specs, Equipment and Information: **Boat Name** Odyssey **Specs** Keel: Fin **Engines**
Engine 1: Engine/Fuel Type: Diesel

DESIGNER / BUILDER

Designer: McCurdy & Rhodes Builder: Seafarer Yachts
