### Fishing Options

---

The fish-ability of the 270 is outstanding. With the cat hull design, you have as much space to fish the bow of the boat as you do the stern. There are two large in-deck fishboxes port and starboard and an additional on-deck coffin fishbox in front of the center console. In the stern there are two 31 gallon livewells, one on port and the other starboard in the transom. There is a pair of Taco t-top mounted outriggers and upper and lower rocket launchers. Rod holders are everywhere with (4) in the bow area and (6) in the stern. There are (3) separate tackle lockers with a total of 12 tackle drawers. And for comfort, the cockpit is surrounded by a full bolster.

228qt On-Deck Insulated Coffin Fishbox with Overboard Discharge (2) 240qt In-Deck Insulated Fishboxes with Macerators In-Deck Fishboxes Double As Lockable Rod Storage (2) 31gal Insulated Live-wells with Separate 1100gph Pumps, Lights Knife Block Full Cockpit Coaming Bolsters Port and Starboard Recessed Rod/Gaff/Boat Hook Storage T-Top Mounted Rocket Launcher w/(6) Rod Holders Leaning Post Mounted Rocket Launcher with (4) Rod Holders Raw Water and Fresh Water Washdown Tackle and Storage Drawers In Leaning Post Port and Starboard Fold-Out Tackle Lockers with (4) Trays Per Side

### Cockpit & Fordeck

---

Space on-deck is outstanding due to the twin hull catamaran design, especially forward of the center console. Another great feature of the boat and a benefit of the cat design, is the extended

swim platform. No boat in this size range gives you better access to the water than the 270 TE.

Center Console with Factory Fiberglass T-Top and Aluminum Frame Head with Porta Potti, 12v Light and Opening Port In Center Console Fiberglass Leaning Post with Backrest and Cup Holders Full Length Molded-in Toe Rails Red/White Overhead Light Overhead Life Jacket Storage (2) Spreader Lights Low Profile Aluminum Bow Rail Full Cockpit Coaming Bolsters Navigational Lighting Seat Cushions For Coffin Box At Front Of Console Rear Jump Seats (Port and Starboard) (4) 12v Cockpit Outlets (6) Deck Scuppers Fresh Water and Salt Water Washdown Lewmar Windlass Stainless Steel Bow Roller Vinyl Rubber Rail with Stainless Steel Insert Heavy Duty Reinforced Stainless Steel Lifting Eye (2) Recessed Bow Cleats (2) Anchor Cleats (2) Recessed Spring Cleats (2) Recessed Stern Cleats Diamond Pattern Non-Skid Oversized Anchor/Storage Locker In Bow with Port and Starboard Access Hatches Recessed Seat/Step At Bow Courtesy Lighting

---

## Electronics & Navigation

---

The electronics are flush mounted in the instrument panel for easy access. There is a fold-down cover with lock that protects your electronics when you are not aboard. Overhead is a built-in lockable electronics box.
