SPECIFICATIONS

Overview

The Royal Cape Catamaran Majestic 500 provides a huge amount of usable living space in a 5 cabin design. They are well known for their quality of construction, stability in ocean conditions, performance under sail, and their comfortable accommodations. The design of wide beam hulls allows for reduced draft and much greater natural buoyancy than a narrow beam hull shape, without affecting excellence performance. Estrella Del Mar has exceptional cockpit and deck space, a well finished 5 stateroom layout each with en-suite heads, a king size master suite with adjoining study, and guest cabins larger than most master cabins on larger vessels. All of this in a 50' vessel that is easily handled by a couple. Original owners, she is regrettably for sale due to health issues.
