## Overview

---

The M/V HELJI II has been lift kept by her original owners who have taken very good care of her since new. She a 38'6" Bayliner 3788 Command Bridge Motoryacht with less 300 hours on her twin MerCruiser 310hp 7.4 MPI engines. Getting aboard is easy and safe from the transom through the full-width transom door as you step onto the self bailing aft deck. She features a lower pilothouse station to starboard mid-ship and an upper flybridge helm station. The galley is to port with a large salon that includes the galley, sitting lounge with great viability. As you proceed forward the master stateroom is center line ahead and offers an island double berth, hanging locker and plenty of storage. The head area includes a molded-in vanity, marine head and enclosed bathtub with shower. The guest stateroom has a large double berth and generous hanging locker.
