Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Detroit Diesel

Model: 6V 92-TA

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

VESSEL WALKTHROUGH

STARFISH is a great example of the popular 4100 model from Tiara. She is both a luxury family cruiser and a proven offshore fishing machine. Starfish is fish rigged with a full tower and cockpit rocket launcher. She also boasts a HARTOP in lieu of a canvas soft top, the value of which cannot be underestimated.

Her cockpit is spacious and comfortable thanks to her 14'8" beam. She has a flip down transom seat, aft facing seating, transom live well, in deck fish box and Blue water custom rocket launcher. Moving up to the helm deck there is expansive seating to port, wetbar to starboard and a full navigation station starboard side forward.

Portside forward on the helm deck there is a sliding door that when opened leads down below to the salon and lower accommodations. Her below deck area is very roomy thanks again to her wide beam. It directly translates into more living space and an open feeling not usually achieved on most express style boats. The wood is a light ash and adds to the feeling of space. There is a full service galley immediately to starboard after descending the stairs. She features a large stand up refrigerator freezer, counter space, ample storage and stainless steel sink. The oversized settee and dinette is located to port. During the day she offers a nice comfortable climate controlled area to catch a nap or have a snack. At night the table can be dropped, a cushion added on top to make a berth large enough for two full sized people or several kids. The back of the sofa also flips up and secures to the ceiling to create an additional bunk berth. All the way FWD is the private master stateroom. She has an Island queen berth, individual climate controls and ample storage. The head starboard side is between the galley and master. She has dual access both from the salon or privately through the master. The spacious full head and stall shower give a family or group of fishermen everything they need for a day trip or week in the Bahamas.

Exclusions

Owner's personal belongings.
