SPECIFICATIONS

Overview

The performance of the Ferretti 53 is spectacular, while featuring all of the amenities of a much larger yacht. Contemporary Italian styling tastefully defines the exterior and interior of the yacht. Outstanding condition, very clean inside and out! Perfect family yacht with 3 cabins, shallow draft (4'9"), great speeds, and a large saloon with panoramic views of the ocean. The rear glass bulkhead completely opens, combining the main saloon and the aft deck making a huge alfresco area. The aft deck is designed to accommodate water play with easy on and off. A passarelle on the stern offers easy Med-Style docking options. The full beam master stateroom has large Aqua View windows near the waterline, creating an incredible oceanic ambiance for the owners. Enjoying a sunrise or sunset in bed while on the hook is an excellent way to start or end the day. The low profile flybridge makes it easy for anyone driving to have a great view of the bow and stern. Docking is a breeze!
