DETAILED INFORMATION

Accommodations

Overall layout contains a spacious, bright, Main Salon, large working Galley, three (3) Double Staterooms, two (2) Heads and a large enclosed Flybridge with upper helm station..

The Main Salon is bright and open, with large windows on all sides. Beautifully laid-out for comfortable living aboard, featuring a large U-shaped settee to port with soft leatherette upholstery and a pedestal table. Reverse-cycle air/heat provides year-round comfort and usability. Recessed halogen lighting provides an elegant atmosphere and well-styled cabinetry along the starboard side includes a drinks cabinet and built-in TV.

In the forward part of the main salon, to starboard, there is a Lower Helm Station with complete engine instrumentation, electronics, helm controls and a large upholstered Captain's helm seat.

Moving forward, the Master Stateroom is immediately to starboard and features a comfortable queen-size berth and ample lighting and storage. The ensuite head includes Corian counter tops, a manual-flush toilet, a spacious 'stall' shower and ample storage and hanging space.

The Guest VIP Stateroom is located immediately to port contains two single bunks and ample storage and hanging space.

A large Guest Stateroom is located far forward and contains four (4) 'tiered' bunks with access to storage underneath. There are two hanging lockers, numerous drawers, good light and ventilation. This area also contains the Guest Head, shared with the Guest VIP Stateroom and contains Corian countertops, a manual flush-toilet, a spacious 'stall' shower, good storage and ventilation.

The Galley is located on the port side in the forward section of the Main Salon. It is well laid-out and equipped with a full-sized Norcold AC/DC refrigerator/freezer, hot/cold water.

Microwave/Convection oven, 2-burner glass cook top with ample food preparation surfaces and storage.

In the aft bulkhead of the main salon, to starboard, there is a large patio-style door leading to the aft cockpit. In this area there is convenient access to the upper station, side decks and aft swim platform. Flush hatches provide access to the steering flat and lower bilge areas. The central stern door leads to the boarding platform. A preparation sink unit console and access to the engine room is provided against the rear bulkhead.

The Fly Bridge is accessed via a stainless steel ladder and consists of a fully enclosed saloon with ample seating around the central, full, helm station. The centrally located helm station affords excellent visibility of the aft deck and transom when fishing or backing down.

The Foredeck offers a large area suitable for stretching-out in the sun. There is also a manual

dinghy-hoist davit and electric windlass in this area.
