SPECIFICATIONS

Overview

This awesome fishing machine is one of six yachts custom built by Bertram, for the Dutch mega-yacht builder Diaship. The boat was built entirely by Bertram, at the Bertram Plant in Miami, with Diaship's desirable improvements. She's built on the legendary Bertram 46 hull, which was for years "the standard by which other sportfishers were measured." She combines the original 46's superb ride, handling and seakeeping characteristics with a sleek euro profile that was way ahead of it's time in 1992. Diaship's interior design improvements include a queen-size island berth in the master, replacing the original V-berth, a spacious, more contemporary interior, and a built-in washer dryer.

Caterpillar C-12 Acert 715hp (Commissioned in 2014) Full Warranty (58 hrs)
