SPECIFICATIONS

Overview

BROKER COMMENTS:

This is a extremely nice 1 owner boat that has been very well maintained and lightly used by an experienced boating family. The boat has very low hours, the interior shows "as new" . . . "SEA DELIGHT" IS THE BOAT TO SEE AND BUY in this size/class range !!

Sea Ray really got it right with the 400 Sedan Bridge, an extremely popular cruising boat with a near perfect mix of European styling and luxury class amenities. First introduced in 1996, Searay went on to produce hundreds of this model through the 2003 model year and this boat, because it was built in the latter part of the production run was one of the only 2004 models delivered. Below decks, the interior off the 400 SB is an appealing display of high gloss cherry joinery, Ultra-leather salon seating and quality hardware and appliances. Her 2 stateroom, galley down floorplan with dinette and 2 Full Heads features the Master forward in the bow with a pedestal queen berth, cedar lined lockers, plenty storage and ensuite private head, built in entertainment center with TV/DVD. The guest stateroom is tucked in to port and features side by side bunks , double hanging locker with seat in front for dressing and plenty of storage under berths and other storage compartments. The salon features a large convertible sofa to port which converts electrically to a double with the touch of a button and there is a sofa to starboard as well with an overhead entertainment center. To port forward of the sofa is a hideaway, roll out liquor bottle/glass storage compartment. Forward to starboard and down 1 step is a fully equipped galley with Stand up refrigerator and wood galley sole. Across from the galley to port is an elevated conventional face to face dinette with under seat storage.

Cockpit amenities include aft bench seating, Stainless steel refrigerator (New) tucked in under molded stairway to bridge, transom door leading to a wide Hydraulic swim platform with davits and swim ladder. Wide molded in steps lead to the fully enclosed (tan sunbrella) flying bridge with a centerline helm offset forward to starboard, a pedestal companion seat to port and a large aft U-shaped seating area with a dinette table that converts to a sunlounge .

Construction: Built on a fully cored hull with good beam, prop pockets and underwater exhausts will cruise in the 23 range and top out at or over 25 .

Basic Information

Category: Sport Fisherman

Sub Category: Convertible

Model Year: 2004

Year Built: 2003

Country: United States

DETAILED INFORMATION

Accommodations

The Sea Ray 400 Sedan Bridge features an interior plan that suits any lifestyle, plus all the luxury and convenience inherent in a Sea Ray.

Salon

The main salon is equipped with couches to starboard and port. There is an adjustable, removable main salon table. There is a Zenith flat screen television mounted in the starboard upper corner and a CD Player with remote speakers. The salon is carpeted throughout. Engine room access is through the salon sole. There are sliding doors opening to the aft cockpit.

Galley

The galley is equipped with an upright Norcold refrigerator/freezer. There is a Sharp model Carousel Grill II Convection Oven and a Kenyan 3-burner countertop mounted stove. The galley has a Corian countertop with hot and cold pressurized running water and spray attachment. Additional galley equipment includes a blender, Black&Decker Coffee Maker. The galley is a wood veneer, naturally finished. Forward in the galley is a pantry locker.

Master Stateroom

Forward stateroom with overhead opening hatch, queen sized, centered bed with drawer storage under, built in cabinetry to starboard and port, and two cedar-lined mirrored hanging lockers to starboard and port. There are (4) fixed port lights, (2) per side. The stateroom is carpeted throughout with runners on top of the carpet. There are draw curtains over the port lights. The wood is naturally finished with high gloss. There is a screen television in the port forward corner and a CO Detector. There is a starboard side entrance door to the forward stateroom head.

The forward stateroom head is equipped with a Sea Land Vacu-flush toilet with a waste level monitor. The head and shower are fiberglass inserts. There is an FRP sink with hot and cold pressurized running water, a recessed medicine cabinet, and a separate shower stall with an opening port light and shower drain equipped with a sump pump. The passageway leads back aft from the forward stateroom.

Guest Stateroom

The port side guest stateroom is equipped with (2) single bunks, carpet throughout with a liner, a cedar-lined hanging locker with an automatic light switch, and an opening port. See recommendation. There is a built in household vacuum system located in the port guest stateroom.

Guest/Day Head

The guest head is located on the port side off of the passageway. The guest head is set up essentially in the same way as the forward starboard side head with a vacu-flush toilet, FRP sink with hot and cold pressurized running water, shower stall with shower sump pump. There is (1) opening port and this and the forward stateroom head both have power vents.

Fly Bridge

The Flying bridge is equipped with (2) pedestal mounted seats. The helm is to starboard. Both the helm and mate seats are fully adjustable. Aft of the of helm seats there is a U-shaped dinette and a pedestal mounted table which converts to a sun lounge. Aft of that there is a radar mast . The bridge has a full Bimini enclosure with Tan Sunbrella and eisinglass curtains. There is a helm/controls canvas cover, Snap in Bridge carpeting, storage lockers and 2 110 Volt outlets on the bridge.

Cockpit

The aft cockpit is equipped with a bench type seat and cockpit. To port a molded in stairway leads up from the cockpit to the flying bridge and a transom door access the Hydraulic swim platform which is equipped with slide on davits. Also in the cockpit is a Stainless steel refrigerator built in under stairway and a storage locker to port. There is a fitted canvas cover for the aft seat and a bridge to transom cockpit cover
