## Yacht Introduction & Description

---

'Manihiki' is a 52ft motor yacht built by Prima Yachts. Used as a spacious houseboat with weekend coastal trips around Hong Kong, she has already proved to be an ideal home for a couple or single person looking to escape the city and live in a more specious on-water environment. The current owners have spent time upgrading her so she is a comfortable home but also continuing her cruising capabilities. The engine room has been recently spruced up and a new genset bought and installed in 2014.
