Overview

Preliminary Listing

If you have been looking at 56 Sea Ray's but have not found the right one, you need to see this boat right away. Look at the photos and you will start to understand. Here we have an owner that updates his yacht and cares for it. Come and see the gel coat, look at the inside, go up on the fly bridge and look around, see the electronics. The electronics have been updated with a Simrad chart system. You don't find many yachts like this one. If you are looking for a yacht this size, come and see it before it's gone.
