## Overview

---

This 60' Bondway Houseboat was completely refitted in 2007 at the Bondway shipyard. It is unique from most of the other houseboats in Singapore in that it is sea worthy and RINA safety approved to do charters in Singapore waters. It has a bright open saloon, dining area with a galley that is bigger and better equipped than most condominium kitchens. The wide bow area is accessed directly by steps from the huge flybridge. The aft full beam master cabin has plenty of storage. For Singapore buyers, the seller is willing to let the berth go with the boat (subject to marina's approval). If you are looking for true water front living, nothing compares to a houseboat. Note: Price in USD is an approximate.
