SPECIFICATIONS

Overview

The Chaparral 310 Signature offers award winning styling, advanced cockpit features, dry-riding performance and a comfort-minded cabin. Chaparral's design excellence shines through with a standard fiberglass hard top that creates a big cruiser feel and all-weather protection. A spacious interior with pedestal berth forward and convertible settees in the salon and mid cabin area. Solid surface counters and quality hardware are found in the galley. The Axis Joystick Docking and Chaparral quality are a match made in Heaven! You will never stress leaving from or return to your homeport. A premium express finished to very high standards, MerCruiser 260hp with Bravo III cruise the 310 Signature Sundancer at 27–30 knots and reach a top speed in the low 40s. This is very clean boat that spent evenings cruising the Bradenton River. Recently waxed and detailed. You should make this a top choice for your boating needs.
