SPECIFICATIONS

Overview

The Carver 330 Mariner is a popular blend of Sedan Bridge and Cruiser. With an easy step up to the bridge you are in command of the vessel with great visibility docking or cruising. The 330 Mariner might not win the beauty pageant but her successful sales over the last 25 years speaks volumes to her popularity with boaters. If you are looking for a great day boat or live aboard look no further. This boat was on Lake Michigan prior to migrating south to its current moorings atop a 16,000# lift in Belleair Beach, FL. Its freshwater cooled engines are perfectly preserved and up-to-date on maintenance. The standard 5.7L Crusader moves the 330 Mariner along at a comfortable 16 knots and tops out around 24 knots. You won't be breaking the bank with this purchase or on operating cost with 20 gph at cruise. Contact us today to schedule a private showing and see a diamond in the rough.

Basic Information

Category: Motor Yacht

Sub Category: Flybridge

Model Year: 1993

Year Built: 1993

Country: United States

Dimensions

LOA: 35' 5" (10.79m)

Beam: 12' 4" (3.76m)

Max Draft: 2' 9" (0.84m)

Clearance: 10' 6" (3.20m)

Speed, Capacities and Weight

Cruise Speed: 16 Kts. (18 MPH)

Cruise Speed Range: 140

Water Capacity: 92 Gallons

Holding Tank: 28 Gallons

Fuel Capacity: 192 Gallons

Accommodations

Total Cabins: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Crusader

Model: 5.7 L Freshwater Cooled

Fuel Type: Gas/Petrol
