DETAILED INFORMATION

VESSEL WALKTHROUGH

The 3870 Express model Cruisers "AIR PARTS" offer very attractive profile, sleek lines and a very innovative and spacious interior layout. She has a full two stateroom two head layout not usually seen on a vessel of her size. The wide open salon includes a convertible sofa/ dinette and a full service galley capable of satisfying the most discriminating of ship board gourmets. She features an island queen berth forward and the aft stateroom has a side by side arrangement.

Topsides there is plenty of room to spread out and relax. The Very large cockpit seating area also boasts a wet bar / sink. Engine room access is under the cockpit sole. She has been properly maintained by a professional company. The helm station is forward on the starboard side. It offers great visibility and a full complement of navigation equipment including and updated GARMIN chart plotter. The swim platform of AIR PARTS is huge and decorated handsomely with teak. This large platform is capable of handling a personal water craft or other marine toys. There is even a DAVIT to assist with the loading or retrieval of whatever toys you choose. Her Bimini top is recent and is in fantastic shape as is her full mooring cover for when the boat is buttoned up.

AIR PARTS is a ton of boat for the money and represents great value. She is clean and turn key ready for her next owner. Please call to make arrangements for your private showing.

Exclusions

Owner's personal belongings.
