SPECIFICATIONS

Overview

Powered with dual 835HP Caterpillar C18 ACERT diesel shaft drives 'CAVALLINO III' has a comfortable and economical cruise speed of 17 knots and comes with hydraulic bow and stern thrusters to make mooring a breeze.

This one owner custom designed 2012 model Hampton 680 Pilothouse is one of a kind and includes many features not included in other similar size vessels.

The Hampton 680 is designed and built for comfortable, safe and dependable cruising. She has two accommodation decks with the hull deck having one crew stateroom and a yacht's utility / work area aft.

The engine room is amidships and forward mid ship is the full beam master stateroom with one guest cabin and a VIP cabin forward

The main deck has a covered aft deck with a control stations with the main deck house and main saloon against the aft bulkhead with the galley forward to port, while the main entrance foyer, the dinette and pilothouse are forward of the galley.

The flybridge offers a large seating area, helm bench seating, wet bar, refrigerator and BBQ space.

An inspection will impress any genuine purchaser.
