## Overview

---

### Endeavourcat 30

Look, see, sail. This cat is ready to go. It will take you anywhere in comfort. The sail plan with all lines leading to the cockpit and the Doyle Stackpack- lazy jack system with 2 selftailing winches (installed in 2009), makes sailing a real joy. The covered cockpit, with removable screen and window panels, provide shade under sail and extended living space at the dock or on the hook. The galley with the 2 burner stove, oven, microwave, 12V refrigerator evaporator ( updated in 2012) and counter space makes meal preparation easy and with the new air conditioner installed in 2013, this cat is cool.

There are two queen size staterooms with new foam on the berths in 2009 and a spacious head that has a separate hot water shower supplied by either a propane and electrical heater.

When at the dock, power is provided by a 30 amp power cord and under sail or at anchor the 2 - 1000W solar power and 600W wind generator keeps the lights and systems on and it also has a 2012 900W generator when additional power is needed.

Set your course with the Garmin 4208 GPS/Sonar/Radar system and run the rhumb line with ease using the ST4000 Autopilot. And a 2012 40hp Yamaha outboard stands ready when needed.

Additional Specs, Equipment and Information: **Engines** Engine 1: Engine Brand: Yamaha Year Built: 2012 Engine Type: Outboard Engine/Fuel Type: Gas/Petrol Engine Power: 40 HP **Electronics** Autopilot - ST4000 Autopilot Radar - 4208 Gramin Log-speedometer Compass Wind speed and direction GPS - Garmin 4208 **Sails** Battened mainsail - Doyle Staackpack 2009 Furling genoa - new in 2006 **Rigging** Steering wheel **Inside Equipment** Marine head Oven Air conditioning Battery charger Electric bilge pump - 2 Bilge Pumps Microwave oven Chemical head **Electrical Equipment** Inverter Shore power inlet - 30 Amps service Generator - 900W gas generator **Outside Equipment/Extras** Cockpit cushions Solar panel Swimming ladder Davits Wind generator Cockpit table Tender **Covers** Bimini Top Mainsail cover Lazyjacks - Doyle Stackpack Cockpit cover

### Additional Information

#### 1993 Endeavourcat 30'

Large covered cockpit, with vinyl windows and screens, and spacious air-conditioned accommodations makes this Endeavourcat ideal for long family cruises and/or living aboard.

The sail plan is exceptional with a Doyle Stackpack mainsail/ lazy jack system and a self tacking jib with all lines leading back to the cockpit. The jib was upgraded in 2006 and the Stackpack and 2 selftailing winches were installed in 2009. It has a great interior layout with 6'3" headroom in each hull. Two queen size staterooms, with new foam added in 2009. Galley is fully equipped with 2 burner stove, oven and microwave. a spacious ahead has a separate shower with propane and electric water heaters. 12 volt refrigerator fan evaporator replaced in 2012. The electrical system consists of: 4- AGM main bank batteries and a AGM starter battery. 2- 100W Solar panels and 600W wind generator and 900W generator new in 2012. Shore power connection is a 30amp service. The electronics feature a Garmin 4208 GPS/Sonar/Radar system, Siris XM radio with satellite weather and ST4000 Autopilot. Air conditioning all new 2013. and the engine is a Yamaha 40 horse outboard installed in 2012.
